

COLOCASIA WHITE LAVA

KEY FEATURES

- One of the stunning Colocasia ROYAL HAWAIIAN® Series
- Bold and impressive 'elephant's ears' foliage makes a strong statement on the landscape and imparts a tropical ambience
- Dark green foliage sports a distinctive white centre that runs into the veins creating a stunning 'electric flash' effect
- Tidy clumping habit and strong upright dark red stems enhance the old texture of this outstanding Colocasia
- Perfect for perimeter planting in water gardens, containers and moist garden areas in full sun to part shade
- Frost tender, dies down in colder areas
- 1.2m x 1m
