

# COROKIA CLOVER PVR34031

## KEY FEATURES

- Bred by Jack and Kathy Ritchie, Tree Guys Nursery, Hawkes Bay, NZ
- Shorter internodes and finer foliage than most other Corokia x virgata selections
- Young and unclipped plants present an interesting, textural, open form
- Clipped plants quickly thicken up to form a dense, compact plant with lush green foliage
- Excellent hedging, topiary or container specimen
- Low water tolerance, once established
- Wind and coastal tolerant
- Hardy to light frost
- 1.5m x 1.2m
