

HEUCHERA DARK SECRET

KEY FEATURES

- An oldie, but a goodie!
- Exceptional colour and year-round appeal
- Intensely dark, blackish-red, deeply divided foliage makes a strong statement, especially when juxtaposed with golden or variegated foliage colours
- Slender stems of delicate pink flowers are held above the foliage through the summer months
- Excellent for mass planting in sun or shade, or adding texture and contrasting colour to garden borders and mixed container plantings
- Easy to grow and cold hardy
- Evergreen
- 0.3 x 0.3m
